

**Cork County Council &
Avondhu Blackwater Partnership Ltd Presents**

REDUCE WASTE REDUCE COSTS

WORK SHOP FOR BUSINESSES IN THE CATERING & HOSPITALITY SECTOR

**Monday 19 April 2010, 10.00am - 11.30am
Springfort Hall Hotel, Mallow, Co Cork**

Introduction

Faced with tightening profit margins, businesses are constantly looking for ways to cut their costs. Reducing your waste through simple waste prevention procedures goes hand in hand with reducing operation costs. Savings can be realised through waste prevention, water conservation & energy efficiency. This short focused workshop will provide information on how to improve environmental performance and reduce associated costs. Advice will also be provided on how to ensure legal compliance with the Waste Management (Food Waste) Regulations 2009, which will impact on all businesses where food waste is produced. **The workshop is targeted at Businesses in the Catering and Accommodation Sector (including hotels, bars, restaurants, supermarkets, nursing homes, and catering facilities in business/industry etc.**

Is there a charge?

Attendance is free. Cork County Council, Environmental Awareness and Research Unit, supported by Avondhu Blackwater Partnership Ltd are hosting this event.
