

Comhairle Chontae na Gaillimhe
Galway County Council

Clarenbridge Oysterfestival

Goes Green

As part of the Greening of the Clarenbridge Oyster Festival the following environmental actions are being undertaken:

- Generating green energy
- Diverting waste from landfill
- Recycling all glass, plastics and cardboard
- Composting all food waste
- Using biodegradable plates, bowls and cutlery
- Reducing quantities of packaging
- Reusing the oyster shell

Galway County Council promoting good environmental practises

Additional information on Greening Festivals is available from the:
